PRODUCT NAME

DEOX R1 PTFE Light Film Lubricant

PRODUCT RANGE

Part Number	Available Size
CT-R1-300	300g Aerosol

Refer to SDS for product safety guidelines

DEOX R1 PTFE Light Film Lubricant

Chemtools® DEOX R1 PTFE Light Film Lubricant is a multi-purpose lubricant which contains PTFE for added protection against friction and wear. The particle size of PTFE and the method of dispersion are tightly controlled to ensure the highest possible level of mechanical stability.

DEOX R1 PTFE is a premium quality lubricant intended for industrial use and should be used on anything that slides, swivels, rolls or squeaks.

FEATURES AND BENEFITS:

- Excellent lubrication properties
- Great water displacement properties
- Australian Made
- Superior corrosion protection
- Cleans and protects most metal surfaces

APPLICATIONS AND USES:

Thousands of applications and uses in the following industries:

- | | | |
|--------------|----------------|--------------|
| - Farming | - Mining | - Industrial |
| - Railway | - Aviation | - Defence |
| - Automotive | - Construction | - Aerospace |

PROPERTIES:

Flash Point	12°C
Boiling Point	82°C
Appearance	Clear Colourless Liquid
Odour	Paraffinic
Specific Gravity @ 20°C	0.787
Propellant	CO ²

STORAGE:

Store in a cool, dry place, in tightly closed original containers at a room temperature between 5°C and 40°C. Do not place in direct sunlight or near any heat source. Please do not return any used material to its original container.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the product's suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
