To Whom It May Concern,

Re: **DEOX R20 Food Safe Machine Grease (Part No: CT-R20FS)**

Chemtools® Pty Ltd hereby declares that the above product is both TSE/BSE compliant and does NOT contain any allergens as outlined in the *Food Allergen Labeling and Consumer Protection Act of 2004 (FALCPA)*, listed as follows:

ALLERGENS NOT PRESENT	Eggs	Fish	Gluten	Tree Nuts
Milk (and Milk products)	Peanuts	Sulfites	Mustard	Sesame Seeds
Soybeans (and Soy products)	Cereal Grains	Lupins	Crustacean Shellfish	

The above NSF H1 approved product:

- does NOT contain any materials of animal origin or animal origin derivatives, and;
- does NOT come in contact with such materials during processing
- is manufactured under strict control in dedicated systems to avoid any possible cross-contamination
- is developed and manufactured under ISO 21469 compliant requirements (*Safety of Machinery Lubricants with Incidental Product Contact Hygiene Requirements*), and is tested by NSF to ensure continued compliance

If you have any questions about the information provided above, please contact Chemtools® Pty Ltd for further details.

Sincerely,

Jean-Raymond de Villecourt
Managing Director
Chemtools® Pty Ltd

Every attempt has been made to ensure the accuracy of the information provided in this document. Any changes to formulation, technical data, product name/part number, product purpose, or directions for use will result in a review of this Statement, and, following any amendments, a reissue may be made accordingly. Furthermore, any misuse of this product by the end user resulting in unintended consequences will automatically render this document invalid.
