

**PROTECTS PARTS AND MACHINERY
EXTENDS SERVICE LIFE
SUITABLE FOR ALL INDUSTRIES**

RELEASE THE GREASE

Part No. CT-R42-450G

R42 MOLYTACK GREASE

- Special fortified blend
- High film strength
- Exceptional load carrying capacity
- High dropping point
- Inhibits rust
- Reduces friction
- Extreme temperature protection

Part No.
CT-R41-450G

R41 HIGH GRADE BLUE LITHIUM COMPLEX GREASE

- General purpose
- Excellent mechanical stability
- Tacky for hot, wet, and tough conditions and environments
- Resistant to oxidation
- Reduces wear and friction

Part No. CT-R888-450G

R888 MARINE GREASE

- Calcium Sulfonate base
- Bonds horizontally
- Superior in wet and moist environments
- Neutralises strong acids
- Resistant to oxidation
- Disperses harmful deposits

Part No.
CT-R999-450G

R999 HIGH GRADE TRUCK & FARM GREASE

- Special blend for harsh outdoor projects and

- less desirable weather
- High dropping point
- Superior rust inhibition
- Unique anti-wear properties
- Long lasting
- Heavy duty protection for fleet, agricultural, and automotive operations

Part No. CT-R43-450G

R43 PREMIUM EP RED LITHIUM COMPLEX GREASE

- Wide temperature range
- Stays where applied under ANY condition, incl. mud, water, and dirt
- Long lasting corrosion protection
- Extreme pressure protection
